Subject: Funding Agreement Extension Request

Dear Ms. Hazlett,

On June 12, 2019, the Klamath River Renewal Corporation ("KRRC") requested an extension of the expiration date of the Funding Agreement approved by the Commission in Decision ("D.") 17-11-019. KRRC included with its request a Certificate of Service confirming service on the Administrative Law Judge Division and all parties to Application ("A.") 10-03-015.

Siskiyou County and Siskiyou County Water Users Association raised objections to KRRC’s extension request. I have reviewed the issues raised in the objections and find that the requested amendment will not impact customer rates. An extension of the expiration date for the Funding Agreement provides for an extension of time to meet conditions previously approved by the Commission.

Pursuant to Rule 16.6 of the Commission’s Rules of Practice and Procedure, I grant KRRC’s request to extend the expiration date of the Funding Agreement to December 31, 2024. The Funding Agreement is amended as follows: “This Agreement shall expire upon the earlier of January 31, 2022, December 31, 2024, or the date the [Klamath Hydroelectric Settlement Agreement] KHSA terminates (the “Expiration Date”).”

Sincerely,

Alice Stebbins
Executive Director

3. Except as expressly amended above, all other terms and conditions of the original Funding Agreement are hereby ratified and confirmed and remain in full force and effect.

THE PARTIES, by execution of this Amendment, hereby acknowledge that each Party has read this Amendment, understands it, and agrees to be bound by its terms and conditions.
